

Mail or Email the *Statewide Enrollment Options Form* to:

Chisago Lakes School District
Attn: Enrollment Options
13750 Lake Boulevard
Lindstrom, MN 55045

Email: mkonobeck@isd2144.org

District Office Hours: 7:00 am - 3:30 pm

If you have further questions, please call Mary Konobeck at (651) 213-2007 or at the above email address.

APPLICATION PROCESS

- 1** Complete Section 1 of the [Statewide Enrollment Options Form](#). An application must be completed for each student. The Parent/Guardian Address section must contain the parent/guardian address and the address must be in the state of Minnesota.
- 2** **Sibling Preference:** Preference is given to applicants who have a sibling who currently attends our schools. Note in the bottom section of the application the name, grade and school of all currently attending siblings.
- 3** **Employee Preference:** Preference is given to children of employees. Note in the bottom section of the application if the applicant is the child of an employee and the name of the employee.

APPROVAL GUIDELINES

Applications are approved in order of priority on a space-available basis. Application priority is given in the following order:

1. Sibling - if the student's sibling(s) currently attends the requested school.
2. Employee - if the student's parent/guardian is employed by the Chisago lakes School District.
3. Space exists in grade level of requested school.

If space does not allow, the following set of priorities will be used for placing students:

1. All other enrollments will be determined based on available space.
2. If the district receives more applications than it has available seats at a particular school and grade level, a lottery will be used to determine which students will receive seats.
3. Students not receiving a seat through the lottery can accept second choice of school as indicated on the application. Once committed, a family cannot make a repeat request for their first choice of schools, even if space becomes available.

Lottery/School Placement due date is June 30, and the lottery will take place on July 15. Families of selected students will be notified by phone and US mail. Alternate names will be selected on these designated dates in the event a family no longer wishes to enroll.

The Statewide Enrollment Options application process is governed by the Minnesota Department of Education Enrollment Options Program (Minnesota Statute § 124D.03) and school board policy.

Approved Students - who enroll do not need to reapply in subsequent years. Applications do need to be completed for siblings not currently attending.

RESIDENT DISTRICT NOTIFICATION

Copies of approved applications are mailed to the Enrollment Options office of the resident district.

TRANSPORTATION

Transportation to school is the responsibility of the parent/guardian. However, you may transport your student to an already existing bus stop within Chisago Lakes School District boundaries. For more information call 4.0 Chisago Lakes Bus Service at (651) 213-2020.
