Parent / Guardian Signature_____
Date

Minnesota Statutes and rules require the school district to keep accurate records and updated personal records for all pupils. The information will become a part of the student's permanent cumulative record and will be available to appropriate staff members of District #2144. Certain information known as "directory information", is available to the public unless the district receives a written request from a parent to withhold this information. Minnesota law requires that you provide immunization information to your student's record.
